 - Update their whereabouts filing as required so that it is up to date and accurate at all times.
 - Comply with the contents of their whereabouts filing.
 - Attend at a Carding workshop, unless resident outside the country.
 - Submit and follow the Programme set out in the application form.
 - Participate in the national championships of their sport other than in exceptional circumstances, and in at least one selected international event, to be agreed with their NGB.
 - Agree to publicly represent, if required, the NGB and/or the Irish Institute of Sport (IIS) through the media and through a limited number of public appearances.
 - Maintain amateur/eligibility status to compete for the NGB through which funding under the Scheme was granted.
 - Undertake a medical screening on an annual basis, as arranged by the NGB Medical Team or NCTC.
 - Comply with and be bound by the medical policies and guidelines of the National Governing Body or where this is not in place to the medical policies and guidelines as set out by the Irish Institute of Sport.
 - Undergo a medical review when directed by the Director of Sports Medicine at the Irish Institute of Sport, by a medical person of their choosing.
 - Conduct himself/herself at all times in an appropriate manner and display a positive approach and co-operative behaviour towards his/her NGB, the IIS and fellow players/ athletes. Players/athletes are not expected to behave in a manner which is likely to bring their respective sport, NGB or the IIS into disrepute.
 - Co-operate and abide by any IIS decision relating to the Scheme.
2. The IIS may withhold from a player/athlete a quarterly instalment of the annual financial support payable to that player/athlete under the Scheme where the evaluation by the NGB and IIS has determined that the player/athlete has not performed satisfactorily.
3. The IIS may withhold from a player/athlete a quarterly instalment of the annual financial support payable to that player/athlete under the Scheme where an alleged Whereabouts Failure has been recorded against that player/athlete, regardless of the anti-doping organisation that has recorded the alleged Whereabouts Failure. A Whereabouts Failure is explained in clause 4.

4. A Whereabouts Failure is either a Filing Failure or a Missed Test. If the player/athlete fails to make to the Irish Sports Council each required whereabouts filing by the specified timeline or makes a whereabouts filing that is not accurate and complete, that failure is a Filing Failure. If the player/athlete is not available for anti-doping testing at the location during the sixty-minute time slot specified for that day in their whereabouts filing and has not updated their whereabouts filing to provide an alternative time slot or location for that day, that failure is a Missed Test.
5. Grant monies under the Scheme shall stand suspended from the date the ISC notifies a player/athlete of a possible anti-doping rule violation, other than an anti-doping rule violation involving a Specified Substance as defined in the Irish Anti-Doping Rules. The suspension shall last until the date of final determination that an anti-doping rule violation has or has not been committed.
6. Where the final determination is that an anti-doping rule violation has not been committed, the suspended grant monies shall be remitted to the player/athlete as soon as practicable.
7. Where the final determination is that an anti-doping rule violation has been committed but the period of ineligibility has been eliminated, the suspended grant monies shall be remitted to the player/athlete as soon as practicable.
8. Where the final determination is that an anti-doping rule violation not involving a reduced sanction for Specified Substances has been committed and a period of ineligibility has been imposed on the player/athlete, all grant monies will be withheld by the IIS, the NGB and any other sports organisation concerned during the period of ineligibility and the player/athlete shall not be entitled to access to services under the Scheme for the duration of the period of ineligibility.
9. Where, in the opinion of the IIS, a player/athlete who has received grant monies under the Scheme fails to comply with these Conditions of Participation, the IIS may do one or more of the following:
 - (a) withhold grant monies from, or refuse to provide grant monies to, that player/athlete;
 - (b) demand a refund of any grant monies provided under the Scheme to that player/athlete and recover, as a simple contract debt in any court of competent jurisdiction, from that player/athlete any such refund due and owing to the IIS;
 - (c) make such determination in relation to the application of the Scheme to the player/athlete concerned, as the IIS shall consider appropriate in all the circumstances.
